

Seward County Community College ♦ Financial Aid Office

2018-2019 Verification – Dependent V5

Your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal Title IV aid regulations require that before awarding federal student aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid office at SCCC will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the SCCC Office of Financial Aid. The SCCC Office of Financial Aid may also ask for additional information to complete the verification process based upon this review. If you have questions about the verification process, contact our office as soon as possible so that your financial aid will not be delayed.
